#1 Story Starter

The map was torn, but the X was still clearly marked...

#2 Story Starter

When the hot-air balloon lifted off, no one noticed the stowaway.

#3 Story Starter

Deep in the jungle, the compass began to spin.

#4 Story Starter

The cave entrance opened just as the storm hit.

#5 Story Starter

Only three days of water left, and the river was the wrong way.

#6 Story Starter

The old lighthouse flashed a signal no one had seen in years.

#7 Story Starter

The ship's anchor refused to come up - something was holding it.

#8 Story Starter

The trail split in two, and only one set of footprints went left.

#9 Story Starter

At the top of the mountain, a tiny wooden door waited.

#10 Story Starter

The submarine window showed something impossible.

#11 Story Starter

The rope bridge creaked - half the planks were already missing.

#12 Story Starter

The treasure chest was empty except for a single folded letter.
